EUROPEAN UNION COURT RECORD

Three decisions in the Apple Ireland case

The dispute concerned Irish tax rulings for two Apple entities. These records follow the EU state aid decision and its review by two courts.

30 AUG 2016

Commission decision

The European Commission found that the tax rulings gave the Apple entities unlawful state aid and ordered Ireland to recover it.

Commission decision (EU) 2017/1283

15 JUL 2020

General Court annulment

The EU General Court annulled the Commission decision in joined cases T-778/16 and T-892/16.

General Court press release

10 SEP 2024

Court of Justice judgment

In C-465/20 P, the Court of Justice set aside the 2020 judgment and confirmed the Commission decision.

Court of Justice press release

Reading the record

The 2020 annulment was reversed on appeal in 2024. The Court of Justice ruling concerns EU state aid.
