FILM HISTORY

How the Beethoven films changed settings

Three entries show how the films kept the St. Bernard at the centre while changing the people and situations around him.

3 APR 1992

The Newton family

The original film follows George and Alice Newton's household after a St. Bernard puppy arrives.

American Film Institute catalogue

2000

Another Newton household

Beethoven's 3rd follows Richard Newton and his family on a road trip with the dog.

Universal Pictures home release

2008

A film set

Beethoven's Big Break puts the dog in a story about an animal handler and a Hollywood production.

Universal Pictures home release

Reading the record

The selection tracks changes in setting across three films. The full timeline includes the intervening entries.
