RECORDING HISTORY

Three Eagles album releases

Three catalogue entries trace the band's studio releases from its debut through Hotel California to Long Road Out of Eden.

1 JUN 1972

Eagles

The band's self-titled debut includes Take It Easy and Peaceful Easy Feeling.

Apple Music catalogue entry

8 DEC 1976

Hotel California

The album catalogue dates Hotel California to December 1976 and lists nine tracks, including its title song.

Apple Music catalogue entry

2007

Long Road Out of Eden

The band's discography lists Long Road Out of Eden in 2007, after the 1994 release Hell Freezes Over.

Reading the record

These are album release records. A release date and the date of a recording session answer different questions.
