COMPANY HISTORY

Safaricom's licence, M-PESA and listing

Three records mark the original mobile licence, the launch of a payment service and the start of public trading.

1999

Initial mobile licence

Safaricom's annual report records its initial mobile licence in Kenya.

Safaricom annual report

MAR 2007

M-PESA launches

Safaricom's company chronology records the launch of its M-PESA service in March 2007.

Safaricom annual report, 2022

9 JUN 2008

Shares begin trading

Safaricom was listed on the Nairobi Stock Exchange after the Kenyan government offered part of its stake to the public.

Safaricom annual report, 2008

Reading the record

The licence concerns mobile operations. The service launch and the stock exchange listing are separate company milestones.
